During the Conference a number of Guest Speakers and Surf Life Saving experts will impart their knowledge as the Far North Coast club's prepare for the forthcoming season.

The **Newcastle Permanent sponsorship** of the Branch will be announced to our members and the Ballina Branch Manager, Deborah Maddox will be in attendance to make the official announcement.

Also as part of the **Tursa sponsorship** each club this season will receive a new beach safety information board to be used on the beach over summer.

The Conference also benefits our members who attend the as they can take back this new found knowledge to other members of their clubs, in the form of training and beach patrol initiatives.

It is quite possible that the information obtained from this Conference could help save a life.

The Conference is part of the strategy undertaken on the Far North Coast to ensure that we are ready to take our place on the beach this summer.
