11:00 am	Cudgen/Salt
12:30 am	Ballina/Cabarita/Evans
Completion of Events	Host Club (Remove Buoys)

Conducting of Beach Events:

1. All clubs shall provide one representative at each Beach area.
2. The representative shall be replaced at the changing of the competing age group.
3. Accredited Officials are considered as key officials and shall be regarded as the club representative. I ask for the clubs' assistance in implementing the above plan. Clubs that fail to fulfil their obligations shall be excluded from the arena.
4. The Carnival will operate under the SLSA SURF SPORTS MANUAL 37th EDITION, however the referee may implement local rules for the carnival. Eg. Beach events will run down to 3 for a final of 9, beach being available on the day, depending on tides.
5. All Carnival Entries are to be entered via SEMS LiveHeats will be used for U9-Masters.
6. All Officials and Water Safety please sign Attendance Book on arrival at Carnival.
7. All Competition Officials are asked to pay attention to their dress whilst officiating. There are strict rules for competitors dress, and we expect no less from officials.
8. Probationary Officials who are yet to complete their Third-Party Report from last season are especially invited to attend.
9. Any Competition Official who did not receive an appointment to this Carnival are asked to report to Debbie Pawsey or Carnival referee Peter Allsopp on arrival at Carnival.
